Sir:

This is A Second Response in reply to the “final” Office Action mailed February 3, 2010, which set May 3, 2010 as the initial deadline for responding. A previous Response was filed May 3, 2010, to which an Advisory Action was mailed May 10, 2010, indicating that the Response filed May 3, 2010 would not be entered.

So this Second Response is also in reply to the Advisory Action.

A Petition for a one-month extension of time is filed herewith, and this Response is believed to be timely filed and no fees are due.

Reconsideration in light of the following remarks and revisions is respectfully requested.

**Amendments to the Claims** are reflected in the listing of claims which begins on page 2 of this paper.

**Remarks/Arguments** begin on page 4 of this paper.
